YARD WASTE PICKUP

APRIL 1ST – NOVEMBER 30TH

2023

Your trash assessment covers your trash bin and three extra bags per week. If you have a large amount of trash, you will have to make arrangements with Waste Management for a special pick up. In order to keep the edges of the new roads from breaking up and the curbs in subdivisions from being disturbed, the Bay County Road Commission has asked that you please put your trash carts, yard waste, and recycle containers in front of the curb on the asphalt in subdivisions. On local roads, put the containers near the edge of road, preferably in portion of driveway. **NOTE:** Containers that are more than six (6) feet from the edge of road will not be picked up.

PREPARATION GUIDE FOR RECYCLING

Put your totes out on the curbside for pickup by 6:00 a.m. on the same day as your trash pickup. See schedule on reverse for recycling weeks. Materials must be rinsed and uncontaminated. Dirty, improperly prepared or unacceptable materials cannot be collected.
