[ISWO Training 9/9 - Conclusion](#)

### [MiWaters Training Material - Webinars, Videos, and Documents](#)

#### Videos:

These tutorial videos have been produced to provide a demonstration of some of the MiWaters functionality. However, MiWaters is a dynamic system that continues to evolve as we make improvements. If you have questions, please use the Help function of MiWaters and, if that doesn't answer your question adequately, the Contact button on the MiWaters screen can be used to determine the best EGLE staff to whom you may direct your question.
